

Double Arm Double Joint Monitor Bracket - Suitable for 13" - 32"

The Double Arm Double Joint Monitor Arm is classically designed monitor arm/ stand which offers the ergonomic benefits of a flat screen monitor arm but is much more affordable. Simply tighten the joint and you can adjust the viewing angle and exactly how stationary the monitor to be.

Built with high-grade steel this monitor arm can easily support monitor up to 8kg or 13"-32" in size. This Monitor Arm comes with grommet mount and desk clamp options to make installation a lot easier

Features

- Easy & quick installation
- Cable management to keep everything organised
- 360° Rotary VESA plate for more viewing experience
- Detachable VESA plate design for easy installation
- 2 mounting options. Desk clamp & grommet are included
- Height adjustable for optimum ergonomic position
- 3 years warranty
