Description

2m CAT6 Ultra Thin LSZH Ethernet Network Cable | Black

The 4Cabling Ultra-Thin CAT6 Ethernet Network Cable. CAT6 cable is commonly used where performance, reliability, and maximum speed are needed.

4Cabling new Ultra-Thin CAT6 cables are a great option for high density patch panel setup, where every bit of space matters. All 4Cabling network CAT6 cables are Fluke tested and are manufactured using gold-plated connectors which meet and exceed Australian industry standards.

CAT6 features more stringent specifications for crosstalk and system noise. The cable standard provides performance up to 250MHz and is suitable for Fast Ethernet, Gigabit Ethernet and 10-Gigabit Ethernet.

FEATURES

- 8 multi-strand conductors in 4 twisted-pair T568A colour-coded configuration
- Fully moulded strain-relief boots
- Low-profile flush moulded boots
- Low Smoke Zero Halogen (LSZH / LS0H Jacket) reduces the amount of corrosive and toxic gases emitted during combustion
- 100% Copper
- Strong and robust male-to-male connectors
- ISO/IEC 11801 Category 6
- TIA 568.2-D Category 6 compliant

SPECIFICATIONS

- **Length:** 2m
- **Color:** Black
- **Diameter:** 3.6mm
- **Gauge:** 28AWG

WARRANTY

3-years limited warranty
