Description

Fibre Push Cleaner SC-250-C: Suitable for SC/FC/ST, APC & UPC

The Fibre Push Cleaner is easy to use option for cleaning connectors in fibre optic cable adapters and exposed 2.5mm ferrules. Simply insert the cleaner into an adapter and push until an audible 'click' is heard. The Push Cleaner uses the mechanical push action to advance an optical grade cleaning tape while the cleaning tip is rotated to ensure the fibre end-face is effectively, but gently, cleaned. A most economical gadget, with over 800 cleanings per cartridge.

The Fibre Push Cleaner is a must have for field technicians. Being small enough to fit into a tool belt or pocket, the Fibre Push Cleaner is a great addition to the tool kit.
