# 4Cabling Telescopic Flat TV Ceiling Mount Bracket 23" to 42" Full Motion | Max VESA 200 x 200

Looking for a versatile and universal TV mount bracket that can accommodate a wide range of TV brands and sizes? Look no further than 4Cabling's full-motion and telescopic reach ceiling TV mount bracket! This heavy-duty bracket can safely support flat-screen LCD LED TVs or LCD monitors ranging from 13" to 32".

The 4Cabling Ceiling Mount is a perfect solution for those who are looking for a secure and space-saving option for mounting their LCD LED TV or LCD monitor. With its full motion tilt & swivel action of 360°, adjustable reach from 608mm - 858mm, and telescoping height adjustment, you can customize the optimal viewing angle for the best experience.

This ceiling mount is also equipped with a cable management channel to keep everything organized, giving you a clean and tidy setup. The mount is suitable for VESA mounting patterns of 75x75, 100x100, 200x100, and 200x200, making it fully compatible with a wide range of TV or monitor brands.

With a recommended TV size of up to 13" to 32" and a maximum load capacity of 30Kg, this mount is not only easy to install but also ensures your TV or monitor is securely mounted in place.

Invest in 4Cabling's full-motion and telescopic reach ceiling TV mount bracket for the ultimate in versatility and universal compatibility. This heavy-duty mount is perfect for anyone looking to mount their TV or monitor in a space-saving and secure way. Get yours today and enjoy the best viewing experience possible!
