Description

Mercku M2 Swarm System Wi-Fi Mesh System

Upgrade your Wi-Fi experience with the Mercku M2 Swarm Pack Wi-Fi MESH System. Designed for seamless coverage across all floors, this system is a game-changer for multi-storey homes or offices. Featuring 3 x M2 Queen Routers, it delivers exceptional coverage of up to 557 square meters, outperforming even the best routers on the market by 20%.

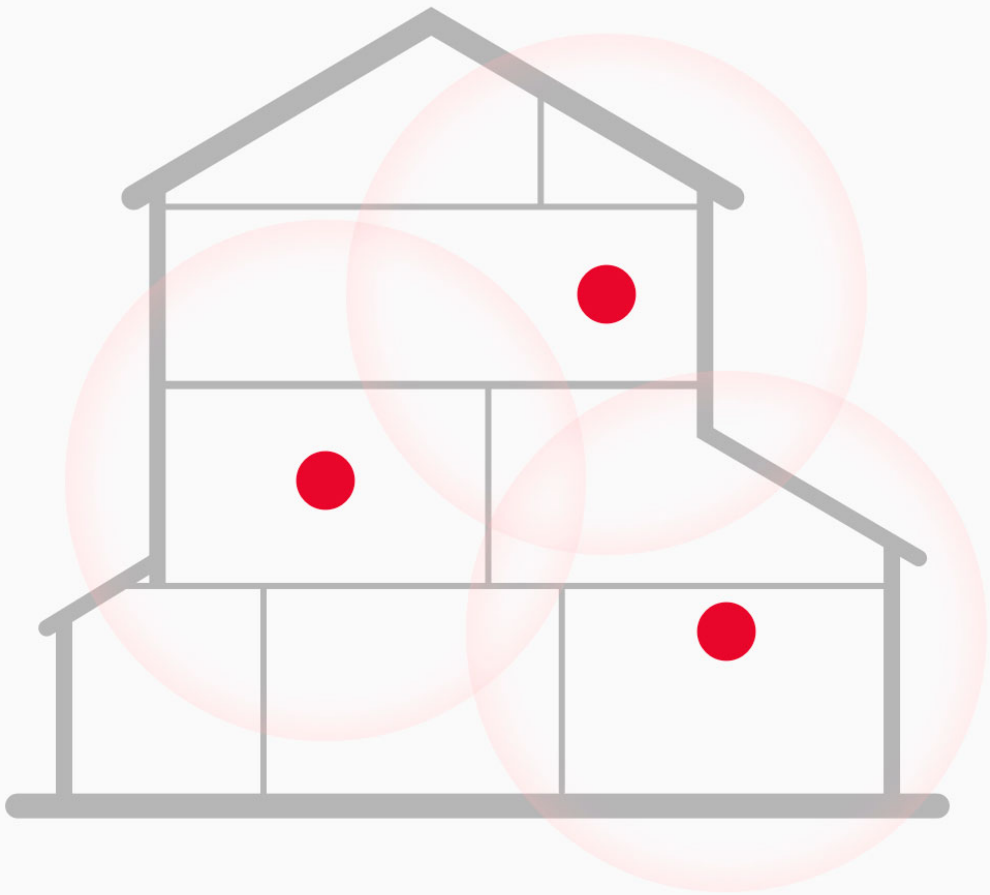

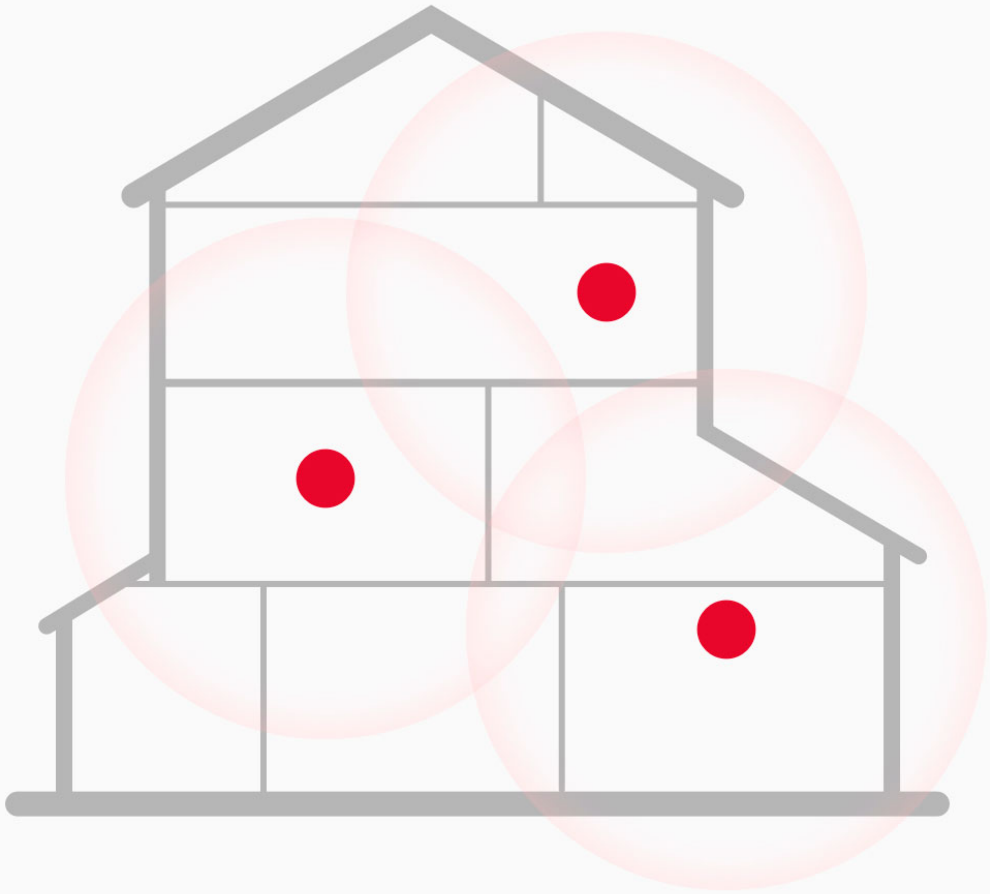

Say goodbye to buffering and bandwidth issues. With support for up to 60 devices and multiple 4K streaming sessions, the Mercku M2 Swarm Pack ensures a smooth Wi-Fi experience for everyone. Whether you're in an older home, a multi-level residence, or a spacious environment, this system is the perfect solution.

Great for:

- Older / double brick homes
- Homes with 1 - 3 floors
- Larger open spaces

FEATURES

- Easy to Install: Automatic mesh network connection with one click
- Super Range: Seamless surfing with one Wi-Fi SSID and full coverage with the mesh system
- Great Design: Award-winning router design
- Flexible Nodes: Modular design to support a variety of network structures of any building
- Supports up to 60 devices: Never worry about bandwidth hogging slowing you down
- Fastest Speed: Dual-band Wi-Fi connectivity for smooth 4K streaming and VR games
- SmartApp Management: Remote App control - removing user and parental control
- Best Throughput: full advantage of MIMO with high-efficiency throughput in wide band
- High-Quality Linkage: Low ECC brought by WHEMS Antenna lowers the bit error rate of data transmission
- Stable Performance: High TIS brought by an innovative transceiver provides the foundation for stable data transfers

Whole home / office coverage - eliminates dead zones
