Description

4Cabling Single Monitor Arm Gas Spring Monitor Bracket

4Cabling Single Monitor Arm Brackets with Gas Spring Monitor Brackets. Designed to be a high performance and easy to handle monitor arm, a built-in gas spring allows for smooth and accurate adjustment to the monitor positions.

The flexible tilt and swivel function provide comfortable monitor angles to reduce fatigue. 4Cabling Single Monitor Arm Brackets with Gas Spring Monitor Brackets also incorporates quick-release VESA plate mount and integrated cable management.

Suitable for 17"-32" monitor and weight up to 8kg.

FEATURES

- Gas Spring: perfectly counterbalances the weight of your monitor
- Free-Tilting Design: for multiple monitor viewing angles
- Swivelling Arm: offer maximum viewing flexibility
- Adjustable tension on the joint closest to the monitor to allow more or less fluid movement

- Easy to regulate the tension of the long arms to accommodate the weight of the monitor
- Cable Management: keeps everything organized
- 360° Rotary VESA Plate: for more viewing experience
- Detachable VESA Plate Design: enables easy installation

WARRANTY

3-years limited warranty
