Planet Waves Speaker Wire Termination - 16AWG: Pack Of 10

The Planet Waves Speaker Connector is a revolution in speaker wire termination. The patented Planet Waves gold-plated connection pin provides 360° contact with the wire without necessitating jacket removal. No stripping or twisting, and low oxidation risk!

All speaker connectors are gold-plated and fully tested for superior signal transfer. The connection screw is specifically designed to cut the jacket and hold wire securely in place without loosening. Connectors are also available in 12, or 14 AWG.

Planet Waves Speaker Connectors offer speed, time, efficiency, and quality, all in one connection!

Warranty
