Description

APC Easy UPS SMV 2000VA 230V | SMV2000CAI

APC Easy UPS SMV 2000VA 230V

Best Value UPS with Battery Backup & Surge Protection for Electronics and Computers

Includes: Documentation CD, USB cable, User Manual

SMV2000CAI Features

- Output power capacity: 1.4kWatts / 2.0kVA
- Output Connections: (6) IEC 320 C13 (Battery Backup)
- Nominal Output Voltage: 230V
- Nominal Input Voltage: 230V
- Input Connections: IEC-320 C14
- Automatic Voltage Regulation (AVR): Automatically steps up low voltage and steps down high voltage to levels that are suitable for your equipment.
- Cold-start capable: Provides temporary battery power when the utility power is out.
- LCD graphics display: Text and mimic diagrams that display modes of operation, system parameters and alarms
- Pure sine wave output on battery: Simulates utility power to provide the highest degree of compatibility for active PFC (power factor corrected) servers and sensitive electronics.

Easy UPS Features & Benefits

- Audible alarms: Provides notification of changing utility power and UPS power conditions
- LED Indicators: Provide easy-to-read status of the unit and utility power conditions.
- Sleek design: Slim, modern design can be upright, flat, or wall-mounted to comfortably fit any electronics set-up and

complement home deacute;cor.

- Transformer-block spaced outlets: Protect equipment with input transformer blocks without blocking access to other receptacles.
- Cold-start capable: Provides temporary battery power when the utility power is out.
- Boost Automatic Voltage Regulation (AVR): Preserves battery life and maximizes runtime by correcting low voltages without discharging the battery.
- Advanced Safety Features: Safeguard your Home UPS from overloads, excessive mains voltages, short circuits, installation mishaps and battery damage due to low voltage situations.
- Battery failure notification: Provides early-warning fault analysis on batteries enabling timely preventive maintenance
- Intelligent battery management: Maximizes battery performance, life, and reliability through intelligent, precision charging.
- Battery and surge protected outlets: Back up and protect your hardware and data during power outages, surges and spikes.
- Battery backup and surge protection: Outlets provide abundant runtime for network gateway equipment and other critical low-power devices, allowing for hours of internet access during a power outage.
- Safety-agency approved: Ensures the product has been tested and approved to work safely with the connected service provider equipment and within the specified environment.

Warranty

2-year limited warranty.

Why 4Cabling?

- Australia's leading importer & wholesaler of 19" server racks, copper, ethernet cable, fibre optic leads & structured networking products
- ISO 9001, NSW Govt. & GITC (QLD Govt.) approved supplier
- Secure online shopping 24/7
- A loyal customer base of 100k+ who trust us for their data & electrical needs
- Over 3000 quality products in stock ready to go
- All products are approved as per local Australian standards
- Warranty & peace of mind return policy
- Lightning-fast delivery nationwide
- Expert advice
- Proudly 100% Australian owned & operated
