

Universal Mobile CPU Stand : For most ATX cases

Product Images

Description

Universal Mobile CPU Stand | For most ATX cases

This CPU stand is designed to support and elevate most desktop/tower style computers for easier access. It has a range of width adjustment for most ATX towers from min 119mm to max 209mm. It increases airflow and saves desktop space by storing the CPU under or beside your desk. With 4 castor wheels the ATX case can be easily transportable. 2 lockable wheels prevent the stand from sliding. Manufactured from high-quality steel, the stand bears up to 10kg weight.
