Product Images

4Cabling | Elegant Single Power Point 250V 10A | Vertical | 10 Pack with 10 FREE C-Clips

Upgrade your electrical setup with 4Cabling's Elegant Single Power Point 10-Pack! Designed for maximum efficiency and style, each power point boasts a sturdy polycarbonate construction and a sleek white finish to complement any decor.

With a supply voltage of 250V and 10A, these power points deliver reliable performance for all your electronic devices. The vertical orientation and compact plate size of 74 x 118 x 4.2mm make them perfect for any space.

Installation is a breeze with a mounting center distance of 84mm and a terminal size accommodating 4 x 2.5mm cables. Plus, with SAA certification and compliances with AS/NZS 3112 and AS/NZS 3100, you can trust in their safety and quality.

Each 10-pack comes with 10 FREE C-Clips, making installation even easier and more organized. Don't miss out on this fantastic offer - upgrade your electrical system with 4Cabling's Elegant Single Power Point 10-Pack today!
