4C | Elegant Double Power Point 250V 10A with Extra Switch | Vertical | 10 Pack with 10 FREE C-Clips

Product Images

4Cabling | Elegant Double Power Point 250V 10A with Extra Switch | Vertical | 10 Pack with 10 FREE C-Clips

Upgrade your electrical setup with 4Cabling's Elegant Double Power Point 10-Pack, featuring an Extra Switch for added convenience and control! Crafted with durable polycarbonate and finished in classic white, each power point seamlessly blends style with functionality.

With a robust supply voltage of 250V and 10A, these power points ensure reliable performance for all your electronic devices. The vertical orientation and compact plate size of 74 x 118 x 4.2mm make for easy installation in any space.

Installing is a breeze with a mounting center distance of 84mm and a terminal size accommodating 4 x 2.5mm cables. Plus, with SAA certification and compliance with AS/NZS 3112 and AS/NZS 3100, you can trust in their safety and quality.

Each 10-pack includes 10 FREE C-Clips, making installation even more convenient and organized. Don't miss out on this fantastic offer - upgrade your electrical system with 4Cabling's Elegant Double Power Point 10-Pack today!
