4C | Angle Extension Socket IP66 500V 4Pin 20A

Product Images

4C | Angle Extension Socket IP66 500V 4Pin 20A

The 4Cabling Industrial Extension Socket Series are IP66-certified, suitable for outdoor, industrial and commercial use, and available in a choice of pin and voltage.

FEATURES

- Available in 10A-32A Options
- Suitable for medium to large single-phase and three-phase loads.
- Locking rings to ensure IP66 rating.
- Better and safe cable entry
- Polycarbonate housing with premium resins to withstand extreme weather conditions
- Small and large cable seals provided to suit a wide range of cable dimensions.
- Quick assembly with a screwed ring for securing to socket outlets and to ensure IP66 rating
- Impact-resistant, UV stabilised mouldings with high-quality resins
- Transparent pin surround provides quick and sure location of plug-in socket and protection of pins
- Stronger cord clamp and body sleeve connection
- Wider lock-ring is easier to unscrew from sockets (ideal for operating while wearing protective gloves)
- Premium grade stainless steel and brass internal mechanisms ensure reliable operation in harsh conditions
- Plugs feature locking rings to ensure they do not fall out and to maintain IP ratings.
