

Fibre Optic Kevlar® Shears

Product Images

Description

Fibre Optic Kevlar Shears

These durable, lightweight & ergonomic shears are ideal for cutting Kevlar strength fibres amongst other materials. Made from single high-carbon molybdenum and vanadium micro-serrated blades to reduce slippage and produce a clean cut every time.

Features

- Ergonomic molded handles provide comfort in either hand.
- Micro serrated blades reduce slippage for a better cut.
- Blades comprised of high carbon molybdenum and vanadium steel for longevity.
- Length: 140mm
- Weight: 79g

Warranty

1-year limited warranty.
