# 1RU 12/24/48 Port Rack Mount Fibre Optic Patch Panel | Rodent Proof FOBOT w/ Splice Cassette

4Cabling has brought to market, the most impressive FOBOT (Fibre Optic Break Out Tray) yet. It incorporates all of the key features you would expect in a premium FOBOT, at a price that is unheard of for this calibre device. The feature list sports Linear Bearing rails to support the smooth running termination tray, numbered ports on all adaptor plates, pre-drilled screw holes on each adaptor plate (screws supplied) to ensure couplers are fixed firmly into position, 4 glands to cater for most cable sizes at the rear cable entry point, magnetic cable management and magnetic splice cassette to quickly and easily secure the provided 60mm fusion splice protectors into the cassette, laser warning stickers, traditional cable management options are also included for your convenience and all priced to appeal to any installer looking to offer a quality fibre installation at any scale. Do yourself a favour and give this FOBOT a try, you will be thoroughly impressed.

2 x SPLICE CASSETTES INCLUDED
