# Bullnose Reverse Wall Plate: Black

## Product Images

## Description

# Bullnose Wall Plates

**No more messy wires!** Keep your cables under control with these bull nose wall plates. The easiest way to run your cables through the wall looks tidy and keeps things under control. The bullnose wall plate has a large opening that can accommodate plenty of cables at once, including larger cables. This is the perfect cable management solution for computer networks, home theatre systems, or any other application which involves in-wall cabling, for home or office.

# Features

- In-wall / wall mount reverse bullnose plate
- Keep all your cables tidy
- Ideal for Office or Home Theatre setups
- Removable cover plate: no need for masking when painting
- Mounting screws (2) included
- With bristle
- Colour: Black
