Description

1m Rubber Floor Cable Protector with 32mm Channel

Rubber Floor Cable Protector 32mm. The perfect, easy cable management system that not only protects your cables from damage as well as providing floor protection, it also protects you from those awkward office trip-ups. The drop-over features ends with an interlocking design for unlimited length. Has a tooled-out bottom and raised threading to make it highly slip-resistant while still providing great cable protection.

Features

- For indoor or outdoor applications such as offices, warehouses, garages, etc
- Interlocking ends for unlimited length
- Drop over design for easy setup
- Raised tread for slip resistance
- Made from rubber, therefore, does not slip on the carpet and will not damage the flooring
