

# 4Cabling 3RU Wall Mount Frame Vertical Server Rack

## Product Images

---

## Description

---

3RU 19in Solid Steel Vertical Wall Mount Equipment Rack Bracket offers a versatile storage solution, allowing equipment (Network devices, power strips, patch panels) to be mounted vertically (flush with wall). The wallmount bracket offers space-saving installation for environments lacking the footprint space for a full size server equipment rack.

### FEATURES

- Can be installed under a desk for horizontal installation, making it easy to access installed equipment directly from your workspace.
- Perfect for SoHo (small office, home office) environments.
- Fits 19" Server racks and cabinets.
- Bracket mounting holes are positioned 16in apart, matching standard construction framework.
- Suitable for mounting on virtually any wall/ceiling surface (e.g. drywall).
- Cage nuts not included.
- Load Capacity - 30KG

### DIMENSIONS

- width 500mm x depth 150mm x height 145mm

### WARRANTY

3 year limited warranty.
