

Extra Large TV Wall Mount Bracket: 65" to 100"

Product Images

Description

Fits Large 65"-100" LED, LCD and OLED Flat Panel displays.

This extra large heavy duty Plasma / LCD flush mount bracket is suitable for mounting most large Plasma and LCD / LED screens from 65" up to 100" in size. This unique design allows for mounting to brick, solid concrete and block walls as well as gyprock walls with allowances for Australian wall stud spacing. Overall, this mount will provide for an effortless, easy and simple install.

Featuring a low 32mm profile and a 3mm side steel wall frame for extra strength, it has been tested for a minimum of four times its stated load capacity. Automatic click-in spring lock with easy-release tab easily and securely attaches your super large

flat panels to the wall.
