Description

4Cabling 2m USB 2.0 AM - Mini-B 5-pin

High-quality USB 2.0 Cable featuring USB Connector Type A Male to MiniType B (5-pin) Male. Compatible with Windows, Mac & Linux. This kind of USB cable is often required as a USB Printer cable. This high-end USB A to Mini B Male Cable features reinforced silver braided cables enclosed in a black PVC jacket, for the ultimate in durability and signal transmission. High-performance data transmission speeds of up to 480 Mbps are supported. These USB 2.0 cables features a 28AWG /IP and 24AWG / 2C. The molded strain relief and over-molding make the cable durable, while its impedance-matched, twisted-pair construction minimizes cross talk, ensuring high-speed, error-free transmission. The premium quality contacts provide maximum conductivity and minimize data loss. An aluminum under-mold shield helps meet FCC requirements on EMI/RFI interference, and its foil-and-braid shield complies with fully rated cable specifications, reducing EMI/RFI interference.

FEATURES

- Compatible with Windows, Mac, and Linux.
- USB Connector Type A Male to Mini Type B Male.
- Fully rated cable specifications.
- Impedance-matched construction minimizes cross-talk.
- Speeds of up to 480 Mbps are supported.

WARRANTY

1-year limited warranty
