Description

Hook & Loop Tape Cable Tie - 10m Roll x 15mm Wide | Black

Simple and effective is what we all want from a cable tie, and this Hook & Loop Cable Tie goes above and beyond conventional cable ties as it is both reusable and customisable. Simply cut this cable tie to the length you require and use and reuse it as many times as you like.

Perfect for use with Cat5e and Cat 6 ethernet cables as the wide wraps gently support bundles of cables without crushing or kinking which results in performance loss.

FEATURES

- Back-to-back grip so you simply cut lengths and tie
- Gives gentle cable support so as not to disturb the integrity of the cable
- Supplied in reels cut to length on site
- Easy to reopen and add or remove cables
- Re-usable
