TP-Link TL-SG1210MP | 10 port Gigabit Desktop Switch with 8 Port PoE+

Product Images

Description

TP-Link TL-SG1210MP | 10 port Gigabit Desktop Switch with 8 Port PoE+

TL-SG1210MP is an unmanaged switch with 10 Gigabit ports that requires no configuration and provides 8 PoE (Power over Ethernet) ports. It can automatically detect and supply power with all IEEE 802.3af/at compliant Powered Devices (PDs). In this situation, the electrical power is transmitted along with data in one single cable allowing you to expand your network to where there are no power lines or outlets, where you wish to fix devices such as APs, IP Cameras, IP Phones, etc.

FEATURES

- 9× gigabit RJ45 ports, and 1× gigabit combo SFP/RJ45 Port

- 8× PoE+ ports transfer data and power via a single cable with a total power budget of 123 W[*]

- Compliance with IEEE 802.3af/at PoE+, the switch supports PoE Power up to 30 W for each PoE port

- Up to 250 m data and power transmission range under Extend Mode[**]

- Priority Mode ensures high priority of ports 1–2 to guarantee the quality of the sensitive applications

- Isolation Mode allows one-click client traffic separation for higher security and performance

- Automatically reboots your dropped or unresponsive PoE-powered devices with PoE Auto Recovery.

- Plug and play with no configuration required

- The fanless design reduces power consumption and works silently in its location

[*]PoE budget calculations are based on laboratory testing. The actual PoE power budget is not guaranteed and will vary as a result of client limitations and environmental factors.

[**]The speed of the ports in extend mode will downgrade to 10 Mbps. The actual transmission distance may vary due to the power consumption of PoE-powered devices or the cable quality and type.

What is Omada Cloud SDN

WARRANTY

3-year limited warranty

WHY 4CABLING?

- Australia's leading importer & wholesaler of 19" server racks, copper, ethernet cable, fibre optic leads & structured networking products
- ISO 9001, NSW Govt. & GITC (QLD Govt.) approved supplier
- Secure online shopping 24/7
- A loyal customer base of 100k+ who trust us for their data & electrical needs
- Over 3000 quality products in stock ready to go
- All products are approved as per local Australian standards
- Warranty & peace of mind return policy
- Lightning fast delivery nationwide
- Expert advice
- Proudly 100% Australian owned & operated
