

Brother TZE-FX231 | 12mm BLACK on WHITE Flexible TZE Tape

Product Images

Description

Product Name

Brother TZe Flexible Tape is made to last in tough conditions: abrasion, oil, chemicals, water, and extreme temperatures make it the ideal label option for outdoors as well as warehouse or industrial locations. This is a white tape with black printing on it, great for general-purpose labelling. Compatible with Brother P-touch labellers.

FEATURES

- 12mm wide, 8 meters of tape
- White tape with Black printing
- Terminated tape makes it ultra durable
- Compatible with Brother P-touch labellers
- Do not affix to copper: will cause corrosion

SPECIFICATIONS
