Description

0.5m HDMI® Male to DVI-D Dual Link Male

Experience seamless connectivity and enhanced multimedia performance with our versatile 0.5m HDMI® Male to DVI-D Dual Link Male cable. This bi-directional cable allows you to connect HDMI sources to DVI monitors or DVI sources to HDMI monitors, providing unmatched flexibility in your audio-visual setup. Featuring high-quality gold-plated connectors, this cable ensures maximum signal transfer and durability for a reliable connection.

Enjoy lightning-fast data transfer rates of up to 5.1 Gb/s, enabling smooth streaming, gaming, and multimedia playback without any lag or interruptions. With support for Full-HD 1080p resolution, this cable delivers stunning visuals with sharp detail and vibrant colors, bringing your movies, games, and multimedia content to life.

The 19-pin HDMI A male and DVI 24+1 male connectors offer versatile compatibility, allowing you to seamlessly connect HDMI-enabled devices like TVs, projectors, or gaming consoles to DVI-equipped monitors and vice versa. With a convenient 0.5-meter length, this cable provides the perfect balance of flexibility and convenience for your setup.

Upgrade your audio-visual experience today with our premium 0.5m HDMI® Male to DVI-D Dual Link Male cable. Enjoy superior connectivity, high-speed data transfer, support for Full-HD 1080p resolution, and versatile compatibility. Elevate your multimedia tasks, gaming sessions, and entertainment to new heights with this exceptional cable.
