

4K @60Hz 4 x 2 HDMI® Matrix Switch

Product Images

Description

4K @60Hz 4 x 2 HDMI® Matrix Switch

This is a 4-in 2-out HDMI matrix switch, which can switch 4 HDMI input signals to 2 HDMI displays as required. It supports up to 4096x2160@60Hz HDR resolution, with multiple switching methods (IR remote control, buttons, RS-232) to flexibly match input and output devices. HDMI outputs support auto down-scaling. Additional audio output is supported through the S/PDIF port and stereo jack. This device is a reliable, ultra-high-definition video transmission solution widely used in security monitoring, education and training, exhibition and broadcasting, command center, and other scenarios.

FEATURES

- Supports resolution up to 4096x2160 @60Hz
- 4K @60Hz HDR
- Widescreen Resolutions
- Audio Extraction
- Multiple Control Methods
- Auto Down-scaling
- Power-off Memory
- Metal enclosure

4K Ultra HD Content, Enjoy Visual Feast allows easy switching or splitting of four HDMI sources with resolutions up to

4096x2160 @60Hz to 2 different displays. Supports HDMI 2.0, HDCP 2.2, HDR10 and 3D to show much better quality of your content.

More Widescreen Resolutions support ultra widescreen resolutions like 3440x1440, 2560x1440, 2560x1080, 2048x1080, 1920x1200 and 1920x1440.

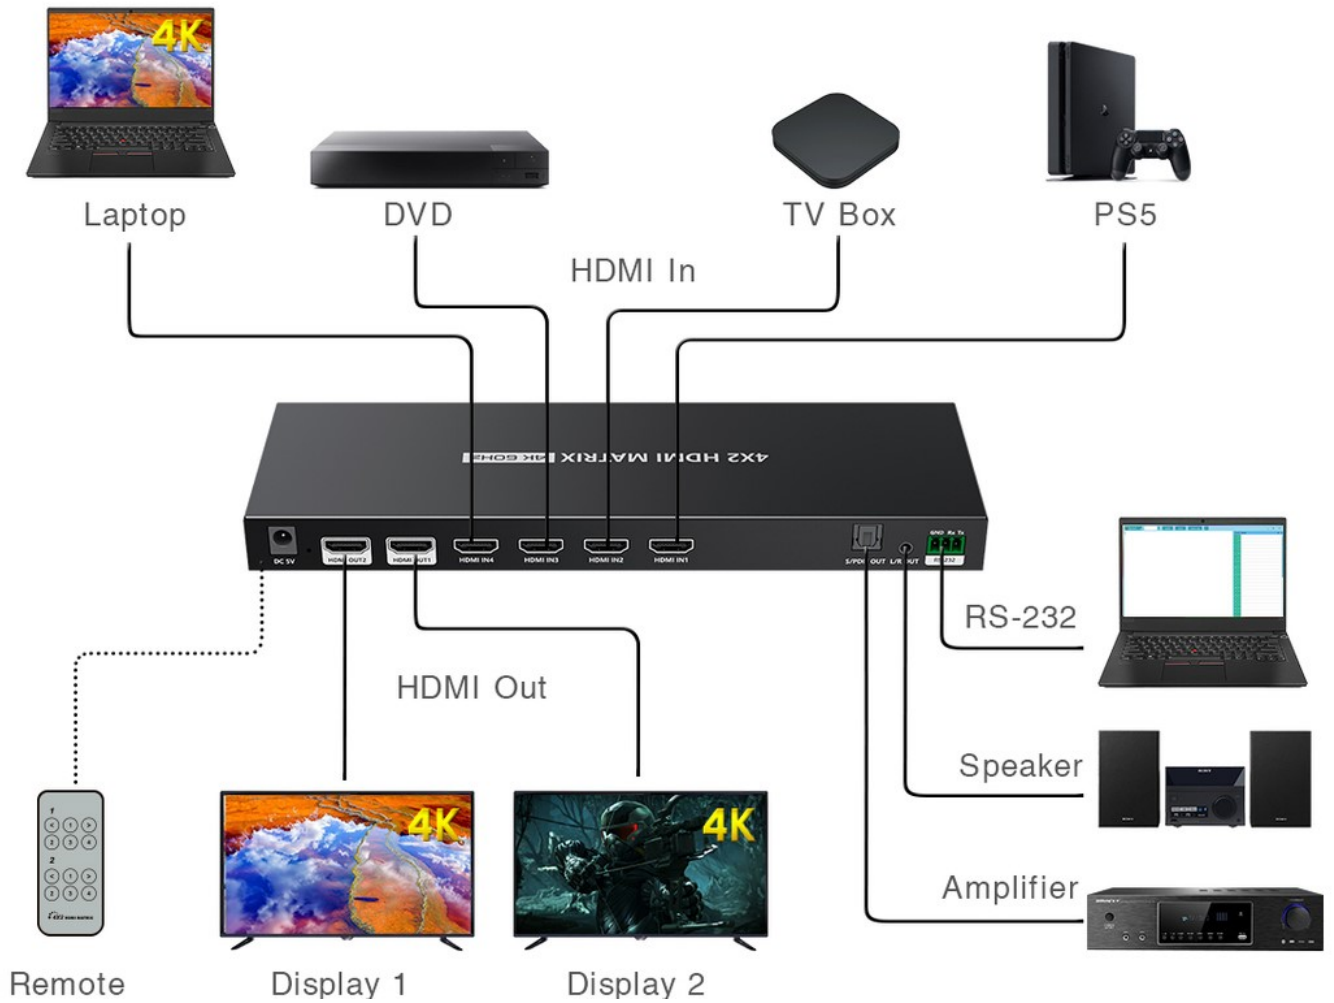

The audio Extraction feature uses extraction to separate audio from source videos to an external audio system via SPDIF Optical and a 3.5mm L/R Port. Supports various audio formats like: LPCM7.1/DTS-HD/DTS-Audio/Dolby Digital Plus/Dolby TrueHD 7.1/Dolby Digital/Dolby Atmos.

Multiple Control Methods Users can easily control the matrix switch via RS-232 port, remote control and the panel buttons.
