Description

4K @60Hz 4 x 4 HDMI® Matrix Switch

Enhance your audiovisual setup with our 4K @60Hz 4 x 4 HDMI® Matrix Switch. Experience stunning image quality with support for resolutions up to 4K @60Hz 4:4:4, including HDR content. With 4 HDMI inputs and 4 HDMI outputs, easily switch or split HDMI signals across 4 displays, providing the flexibility you need for your setup.

Enjoy seamless compatibility with different display resolutions. The matrix switch features 2 HDMI outputs with 4K to 1080P auto down-scaling, ensuring optimal performance. It prioritizes auto-scaling outputs based on port number sequence, allowing for smooth signal distribution and an optimized viewing experience.

Take control of your audiovisual experience with multiple control methods. Easily operate the matrix switch using the front buttons, remote control, or RS-232 port. Immerse yourself in rich audio with support for multiple formats, including LPCM7.1, DTS-HD, DTS-Audio, Dolby Digital Plus, Dolby TrueHD 7.1, Dolby Digital, and Dolby Atmos.

Upgrade your audiovisual system today with our 4K @60Hz 4 x 4 HDMI® Matrix Switch and unlock the full potential of your entertainment experience. Enjoy seamless signal distribution, exceptional image quality, and versatile control options. Elevate your audiovisual setup to new heights with this reliable and powerful solution.

FEATURES

- 4K @60Hz HDR
- 4 HDMI Inputs and 4 HDMI Outputs
- Multiple Control Methods
- Auto Down-scaling
- Multi Audio Formats
- Lighting, Surge, and ESD Protection
- Metal enclosure

supports resolutions up to 4K @60Hz 4:4:4(4096x2160@60Hz), HDR
