Description

TP-Link TL-SF1048 | 48 Port 10/100M Rackmount Switch

Upgrade your network today with the TL-SF1048 48-Port 10/100Mbps Rackmount Switch. This high-performance switch delivers exceptional connectivity with its 48 10/100Mbps RJ45 ports. It saves up to 50%* of power consumption with innovative energy-efficient technology. The TL-SF1048 supports auto MDI/MDIX for hassle-free plug and play installation. Its 19-inch rack-mountable steel case ensures easy integration into your existing network infrastructure. With TP-LINK Green Technology, this switch promotes eco-friendly practices by adjusting power usage and complying with RoHS regulations. It features non-blocking

switching architecture for maximum throughput and supports IEEE 802.3x flow control for reliable network performance. Upgrade your network today with the TL-SF1048 for high performance, energy efficiency, and easy installation.

FEATURES

- 48 10/100Mbps RJ45 ports
- Innovative energy-efficient technology saves power up to 50%
- Supports MAC address self-learning and auto MDI/MDIX
- Standard 19-inch rack-mountable steel case

WARRANTY

3-year limited warranty
