TP-Link | Archer MR200 | AC750 Wireless Dual Band 4G LTE Router

The Archer MR200 is an AC750 Wireless Dual Band 4G LTE Router designed to share your 4G LTE network with multiple Wi-Fi devices, providing download speeds of up to 150 Mbps. Its powerful integrated antennas ensure stable wireless connections and better coverage, enhancing internet performance across your space. Setting up the router is incredibly simple as it requires no configuration; just insert a SIM card, power it on, and enjoy a fast wireless connection right away.

This router creates simultaneous dual band Wi-Fi networks, offering maximum speeds of up to 300 Mbps on the 2.4GHz band and 433 Mbps on the 5GHz band. This dual-band capability allows for smoother performance and reduced interference, ideal for handling bandwidth-intensive tasks like streaming and gaming. The Archer MR200 also offers versatility with its LAN/WAN port, allowing users to choose their connection type based on their specific needs, providing options and flexibility in connectivity.

With its user-friendly setup, stable wireless connections, and the ability to share 4G LTE with multiple devices, the Archer MR200 is a reliable and convenient solution for homes or small offices seeking high-speed wireless internet connectivity. Its dual-band capability and LAN/WAN port further enhance its performance and adaptability, making it an excellent choice for users who require both speed and versatility in their router.

FEATURES

- Shares your 4G LTE network with multiple Wi-Fi devices and enjoy download speeds of up to 150 Mbps
- Powerful, integrated antennas provide stable wireless connections and better coverage
- Requires no configuration, just insert a SIM card and turn it on to enjoy a fast wireless connection
- Creates simultaneous dual band Wi-Fi networks, with maximum speeds of up to 300 Mbps on the 2.4GHz band and 433 Mbps on the 5GHz band
- Offers options and flexibility with the LAN/WAN port, allowing you to choose your connection type

WARRANTY

[3-Years Manufacturer 's Warranty](#)
