

Sliding Shelf For 1000mm Deep Free Standing Cabinets

Product Images

Description

Our Sliding Shelf For 1000mm Deep Free Standing Cabinets are designed for our 1000mm Deep Rack Cabinets only and may not fit in other vendors racks. Designed to provide easy access to equipment via extendable ball bearing slides that retract shelf outside of cabinet rails.

Our sliding shelves come in solid black colour. Constructed using heavy-duty steal and ventilation holes offers strength and needed airflow for your equipment.

Each shelf sold comes with a **2-year warranty**.

Each Sliding Shelf For 1000mm Deep Free Standing Cabinets features:

- Heavy duty frame work
- Ventilation holes
- Extendable ball bearing slides
- Suitable for our 1000mm Deep Rack Cabinets ONLY
- 2-years warranty

Applications:

- Our 1000mm Deep Rack Cabinets
