Product Images

1RU Cantilever Shelf - 350

Elevate your data cabinet setup with our state-of-the-art 1RU Cantilever Shelf - 350. Designed for seamless front-mounted installation, this shelf combines convenience with a robust weight capacity of 100 kg, providing a secure and efficient solution for your valuable equipment. Its stylish and fully vented design not only adds a touch of sophistication but also ensures optimal airflow, preventing overheating. Crafted from heavy-duty metal, this shelf guarantees durability and stability, making it the ideal choice for modern data management. With compatibility at its core, our Cantilever Fixed Shelf adheres to universal 19" standards, offering a versatile solution compatible with leading vendors and OEM brands alike.

Upgrade your data cabinet experience today and invest in efficiency, strength, and style. Trust in our 1RU Cantilever Shelf - 350 for a reliable and future-proofed solution that seamlessly integrates into your 19" data cabinets, providing the perfect foundation for your evolving needs.
