1RU Cantilever Shelf – 450

Enhance your data cabinet setup effortlessly with our 1RU Cantilever Shelf – 450. Designed for easy front-mounted installation, this shelf seamlessly combines practicality with style. With a robust weight capacity of 100 kg, it offers a secure and sleek storage solution for your equipment. The fully vented design not only adds a touch of sophistication but also ensures effective airflow, preventing potential overheating. Crafted from heavy-duty metal, this shelf ensures durability, providing a reliable choice for modern data management.

Simplify your setup with our Cantilever Fixed Shelves, designed around universal 19" standards. This guarantees compatibility with leading vendor equipment manufacturers and OEM brands, offering a versatile solution for your data storage needs. Upgrade your 19" data cabinets with the reliability, style, and compatibility that our 1RU Cantilever Shelf – 450 brings to the table. Invest in a practical and efficient storage solution today!
