

6RU 250mm Deep Wall Mount Frame

Product Images

Description

We deal with issues of compatibility and versatility with every cabinet we sell while adding premium quality into the mix. We are proud of our data racks and server cabinets. Each 6RU 250mm Deep Wall Mount Frame that come assembled, is built around universal 19" standards. Each one will work flawlessly with existing setups and equipment from leading vendors as well as with OEM brands.

Our open racks come in solid black colour. Each one has a heavy-duty framework we take great pride in. Each open rack comes ready for wiring through its pre-punched cabling holes or wiring via rear entry.

Built for compatibility, our versatile open racks are designed for immediate use and problem-free integration with your existing/expanding system setup. Each open rack sold that comes with a **2-year warranty** and a promise that its ready to grow with you and your business.

Each 6RU 250mm Deep Wall Mount Frame features:

- Heavy duty frame work
- Cable entry in the back
- RU markings (front and back)
