Description

4Cabling Ultra Slim & Heavy Duty TV Wall Mount 37" to 80" | Max VESA 600 x 400

Elevate your TV viewing experience with our cutting-edge Ultra Slim & Heavy Duty TV Wall Mount, perfectly designed for screen sizes ranging from 37" to 80". Boasting a maximum VESA compatibility of 600 x 400, this wall mount ensures seamless integration with your flat-panel TV. With an incredibly slim 27mm mounting profile, this ultra-slim fixed mount TV bracket is a masterpiece of design, making it a flawless choice for spaces that demand sleek aesthetics.

Crafted for strength and durability, our Heavy-Duty Steel Construction guarantees your TV's safety, supporting weights of up to 75kgs. Our Ultra Slim Design adds a touch of elegance by providing a low-profile look that blends harmoniously with your living space. The Leveling Adjustments feature allows you to perfectly position your TV even after installation, ensuring a comfortable viewing angle every time.

Experience convenience at its best with Automatic Spring Locks equipped with Quick Release Cords, enabling easy TV removal whenever needed. The Bubble level included in the package guarantees a hassle-free installation process. Hide the clutter with the Magnetic Strap End that smartly conceals straps when not in use, maintaining a neat and organized appearance. Additionally, Decorative Covers add a touch of sophistication for a more elegant look.

With VESA compatibility ranging from 200x200 to 600x400, and a Load Capacity of 75kgs, our TV wall mount accommodates a wide range of screen sizes and setups. The level adjustment feature ensures precise installation, and the product's sleek profile of just 27mm offers an ultra-modern touch. Designed in classic black and crafted from sturdy Steel and Plastic materials, this wall mount guarantees both aesthetics and resilience. Transform your TV space today with our Ultra Slim & Heavy Duty TV Wall Mount – where style meets strength for an unmatched viewing experience.
