Description

4Cabling Ultra Slim & Heavy Duty TV Wall Mount 43" to 90" | Max VESA 800 x 400

Elevate your home entertainment experience with the Ultra Slim & Heavy Duty TV Wall Mount, specially designed for screen sizes from 43" to 90". Boasting a Max VESA compatibility of 800 x 400, this wall mount is a perfect blend of innovation and strength. Its Ultra Slim Design offers a sleek low profile, seamlessly integrating your TV into any space, and it's now available for you to transform your viewing setup.

With Automatic Spring Locks equipped with Quick Release Cords, TV removal becomes a breeze, adding convenience to your entertainment routine. Achieve the perfect viewing angle with Leveling Adjustments, ensuring your TV is optimally positioned after installation. The package includes a Bubble level, simplifying installation and guaranteeing precise alignment for an exceptional viewing experience.

Keep your space organized and tidy with the Magnetic Strap End, which elegantly conceals straps when not in use. The addition of Decorative Covers adds a touch of sophistication to your setup. Crafted with Heavy-Duty Steel Construction, this wall mount is engineered for extra strength and durability, supporting TVs weighing up to 75kgs.

Versatility meets performance as the mount is suitable for most 43" to 90" screens, offering VESA compatibility ranging from

200x200 to 800x400. The mount's Tilt feature provides a +4° to -10° range for optimized angles and reduced glare. With a slim profile of just 27mm, this mount seamlessly integrates with your space. Its timeless black finish and robust Steel and Plastic materials ensure longevity and endurance. Experience entertainment like never before with the 4Cabling Ultra Slim & Heavy Duty TV Wall Mount – the perfect harmony of strength, style, and functionality for an extraordinary setup.
