### Description

## 4Cabling Ultra Slim Low Profile & Full Motion TV Wall Mount 32" to 55" | Max VESA 400 x 400

Elevate your TV viewing experience with the Ultra Slim Low Profile & Full Motion TV Wall Mount, designed to perfection for screen sizes ranging from 32" to 55". This mount offers a remarkable Max VESA compatibility of 400 x 400, seamlessly

combining an ultra-slim design with full-motion capabilities. Embrace the sleek elegance of the Ultra Slim Design, ensuring your TV becomes an integral part of your living space, while the Free-Tilting & Swivel Design allows you to explore various viewing angles for a truly immersive entertainment experience.

Achieve the ultimate setup precision with Leveling Adjustments, fine-tuning your TV's position after installation. Enjoy an organized space with the integrated Cable Management system that keeps unsightly cables out of sight. With suitability for most 32" to 55" screens and versatile VESA compatibility from 200x200 to 400x400, this mount accommodates various TV sizes and setups. Boasting a Load Capacity of 35kgs and a Max VESA of 400x400, your TV's safety is ensured.

Experience unparalleled flexibility with Level Adjustment at +3°~-3°, Tilt functionality at +7°~-15°, and impressive Swivel capability at +90°~-90°. The mount's profile ranges from 41 to 520mm, allowing for both a low-profile appearance and extended reach when needed. With its classic black finish and robust Steel and Plastic construction, this mount guarantees longevity and reliability. Redefine your entertainment space with the Ultra Slim Low Profile & Full Motion TV Wall Mount – where style meets functionality for an exceptional TV setup.
