Description

APC EASY UPS ONLINE SNMP CARD: APV9601 (Suits only SMV & SRV APC Easy Range)

The Network Management Card 3 for Easy UPS, 1-Phase (AP9544) enables secure remote monitoring and control of Easy UPS Online through the easy-to-use web browser interface, via EcoStruxure™ IT Software or another SNMP-enabled system. The high-speed processor provides a fast and powerful experience offering gigabit ethernet connectivity and simultaneous multiple user logins. Best-in-class security compliance keeps sensitive data secure. The Network Management Card includes a 1-year support contract which provides automatic access to new features, enhancements, and advanced support to ensure the most resilient, secure and sustainable IT infrastructure.

WARRANTY

2-year limited warranty

This item is end-of-line but will still be supported during the warranty of the product.
