Description

## OE Elsafe | PACE 920500 | Pace 35 - Qikfit TUF 2 x GPO / 1 x TUF 25W with 800mm Lead to J Coupler and Desk Bracket | White

The Elsafe PACE 920500 Pace 35 - Qikfit TUF 2 x GPO / 1 x TUF 25W with 800mm Lead to J Coupler and Desk Bracket in White is a sleek and versatile power rail that seamlessly integrates power, data, and TUF USB-C laptop charging into your workstation.

#### **Unparalleled Connectivity**

This compact solution offers two standard GPOs and one TUF 25W USB-C port, providing ample power and charging options for your devices. With its 800mm lead to J coupler, you can easily connect to your existing power infrastructure, ensuring a seamless and organized setup.

#### Seamless Integration

Designed to complement the Elsafe Qikfit range, the PACE 920500 effortlessly blends into your workspace, offering a comprehensive soft wiring solution tailored to your needs. Its sleek and organic shape takes up minimal desk space, creating a clutter-free environment that enhances productivity.

#### **Hassle-Free Installation**

Installation is a breeze with the included desk brackets, allowing for a quick and secure mounting on your work surface. The rear opening facilitates easy data cable connection, streamlining your workspace organization and ensuring a tidy setup.

### **FEATURES**

- Quick and easy installation
- Rear opening for easy data connection
- Installation brackets supplied
- Ideal for workstations and desktops
- TUF HP USB-C laptop charging option

### **SPECIFICATIONS**
