Description

OE Elsafe: QIKFIT Quad Auto Switched Power Outlet - 4 x GPO: White

Introducing OE Elsafe 's dynamic QIKFIT power series. The stylish, slim, and sleek QIKFIT Dual Auto Switched Power Outlet complements the basic office fit-out to the modern office environment. The QIKFIT series fits into industry-standard cut-outs and all sockets are auto-switched for a clean look and efficient operation. The multi-directional sockets on the 4-gang QIKFIT allow for an array of chargers and plug packs to be used simultaneously. The QIKFIT series comes with soft-wired installation couplers, allowing for quick and easy change-ups to suit any office environment.

FEATURES

- Complies to Australian/NZ standards
- All sockets are rated at 10A 250V
- The soft-wired QIKFIT do not use regular IEC Connectors as they come with GST male and female connectors allowing for multiple QIKFITS to be daisy-chained. You will need to use this with an [OE-Elsafe starter](#) and/or [interconnecting cable](#)

- Designed to easily clip onto an [OE Elsafe Prodigy Basket](#) and QIKFIT-compatible boxes and modules
- The four-gang QIKFIT incorporates multi-directional sockets to allow for an array of chargers and plug packs.
