Product Images

Description

OE Elsafe's Pixel design has been driven by the demand for a small accessible but discreet unit for the more discerning office worker. No need for tools, it fits neatly into a standard 80mm cutout with a simple screw on clamp. Cables from Pixel can be fed directly into the desk 's existing cable management allowing simple integration. With two data apertures to facilitate RJ45, USB, Audio or HDMI, Pixel will ease desktop connectivity.
