

OE Elsafe: Pixel 1 x GPO with 800mm Lead and J Coupler - White/Silver

Product Images

Description

OE Elsafe's Pixel design has been driven by the demand for a small accessible but discreet unit for the more discerning office worker. No need for tools, it fits neatly into a standard 80mm cutout with a simple screw on clamp. Cables from Pixel can be fed directly into the desk 's existing cable management allowing simple integration. The Pixel is fitted with an AC power outlet and is optionally fitted with RJ45 outlets and is connected with a 3 pin AC power plug or through a J coupler.

Features

- Design ensures no liquid leakage damage.
