Description

Australian Style CAT6 RJ45 Jack Universal Termination | 10 Pack White

Our universal range of CAT6 Clipsal Style Jacks can be terminated using both a KATT & 110 style punch down tool. These CAT6 22-26 AWG solid conductor jacks are designed for use with UTP network cable and are ideal for Ethernet, Fast Ethernet and Gigabit Ethernet network applications. The outlets feature PCB technology which maintains low insertion loss, return loss and cross talk.
