Description

The Olight SR Series Charger is a spare charging base for the rechargeable SR series of Olight flashlights and LED torches. It comes complete with a USB cable that can be plugged in to any computer or wall USB outlet to quickly and conveniently charge the Olight SR Series range of torches. The base holds each flashlight in place magnetically, so it can be mounted on a desk or even a wall. Keep multiple charging bases handy to make sure you are powered up - at home, work or even in the car.
