Description

OE Elsafe: QIKFIT Dual Auto Switched Power Outlet - 2 x GPO: Black

Introducing OE Elsafe 's dynamic QIKFIT power series. The stylish, slim, and sleek QIKFIT Dual Auto Switched Power Outlet complements the basic office fit-out to the modern office environment. The QIKFIT series fits into industry-standard cutouts and all sockets are auto-switched for a clean look and efficient operation. The QIKFIT series comes with either soft wired installation couplers, allowing for quick and easy change-ups to suit any office environment, or a hard-wired option that incorporates a cable with the OE Elsafe J-Coupler.

FEATURES

- Complies to Australian/NZ standards
- All sockets are rated at 10A 250V

- The soft-wired QIKFIT do not use regular IEC Connectors as they come with GST male and female connectors allowing for multiple QIKFITS to be daisy-chained. You will need to use this with an [OE-Elsafe starter](#) and/or [interconnecting cable](#)
- Designed to easily clip onto an [OE Elsafe Prodigy Basket](#) and QIKFIT-compatible boxes and modules

SPECIFICATIONS

- Material: Polycarbonate Body
- Colour: Black
- Dimensions: 130.5mm x 41.5mm x 24mm
